

Dear Session Chairs,

Thank you for supporting ISEAS&ISATECH&ICUAV'20 Event. With your contribution, it will be a successful event.

1- As a session chair, we wish you to join session channels which you are the chair 5 minutes before the session time to try voice and video.

2- The authors will also join to zoom 5 minute earlier than session. We wish you to perform a virtual roll call not to lose time.

3- Please be strict about the time sharing between speakers in your sessions.

4- No cv's will be read by session chairs, instead we will ask keynote and invited speaker's to introduce themselves with 3-4 sentences.

5- We will start sessions in the time strictly.

6- We expect session chairs to mention that participants may ask their questions via chat and it will be read by session chairs.
